

The GOTRAX HOVERFLY KART has arrived on planet Earth to bring a whole new level of excitement to the world of hoverboards. This transformative accessory features a universal design that can instantly turn any self-balancing scooter into a hand-controlled intergalactic go-kart. The HOVERFLY KART hoverboard accessory is a one-size-fits-all system, thanks to a fully adjustable frame and handlebars. Kids and adults alike won't be able to get enough of this easy, affordable and incredibly fun go-karting experience.
